

O saari saari
O saari saari raat jagave
O dhola teri yaad aave
Saari saari raat jagave
Dhola teri yaad aave

O no no no no baby o no no
No no no no baby dont feel down
You were born like a child like
A flower in the garden of love
Dont feel down
O saari saari raat jagave
O dhola teri yaad aave

Baby it's not your own funeral
Comeon dont feel down
Dont feel down
Dhola re meri ankhiaan
Pyasi re bhar aa
Sweetest pain is
The pain of love
Dhola re meri ankhiaan
Pyasi re bhar aa
Sweetest pain is

lyrics

O ho ho

Dhola teri yaad satave
Aaja re dil na laage
Dhola teri yaad satave
Aaja aaja aaja aaja
Aaja re

O saari saari raat jagave
O dhola teri yaad aave
Saari saari raat jagave
Dhola teri yaad aave

O no no no no baby o no no

No no no no baby dont feel down
You were born like a child like
A flower in the garden of love
Dont feel down

O saari saari raat jagave
O dhola teri yaad aave
Dhola teri yaad sataave.
