

Sasirekha Lyrics

Sasirekha o mata cheppali
Cheppaka feel-u kaaka
O prasaadu momata lekunda cheppesey
Emi kaadu

O sasirekha nee chuttuu billions-u
Naa vanni emi-su
O prasaadu paisallo yemundo ayy
Nee kundhi manchi manasu

Mahallo naa neeku kirayi illu iruku
Ye illo naa kaadoy
Prema panche gundellona place chaalu naaku

Hey yureka nuvvu keeka
Bhale baagundi rekha
Reality choostu unte
Bhayanga undi inka

Prasaadu o prasaadu
Come on e tension oddhu
Everything choosukunta
Pippi doom doom lu kottu

Hey siddhanga unna pellamaa
Signal icchey chaalamma
Konda meedha kohinooru kaavalaa?
Jengilelli jaguvaru tevaalaa?

Kanukalodoy srivaaru
Longadu vaatiki naa pyaru
Cheppinattu time vosthe chaalanta
Antakannaa manchi gift-u entanta?

Pada pada pada pada
Paruguna pada pada nene nee taxi
Chaka chaka chaka chaka
Jatapadi manam ika choodadaam galaxy
