

Sathi mere oo sathi mere,
Sathi mere tum jo bane
Sara jaha mere sath
Aa gaya, aa gaya
Jane jaa oo jane jaa,
Sara jaha kuchh bhi nahi
Hatho me jo tera hath
Aa gaya, aa gaya

Pyase pyase mere arma puchhe,
Sath nibhega kab tak apna
Jab tak dil me
Rahe ek bhi dhadkan
Jab tak aankho me
Rahe ek bhi sapna

Har dhadkan bani dulhan,
Bani dulhan har dhadkan
Liye sapna bhi tu dubara
Aa gaya, aa gaya
Sathi mere, sathi mere,
Tum jo bane, tum jo bane
Sara jaha mere sath
Aa gaya, aa gaya

Bolo bolo mere pran sawariya
Rakhoge mujhko
Bolo tum kase
Milke rahege
Hum tum aise
Rang mil jaye
Rango me jaise
Rango ki, umango ki,
Umango ki, tarango ki
Liye sath koi barsat
Aa gaya, aa gaya

Sathi mere oo sathi mere,
Sathi mere tum jo bane
Sara jaha mere sath

Aa gaya, aa gaya
Jane jaa oo jane jaa,
Sara jaha kuchh bhi nahi
Hatho me jo tera hath
Aa gaya, aa gaya
Aa gaya, aa gaya.
