

Tu hi tu, tu hi tu satrange re  
Tu hi tu, tu hi tu manrange re

Dil ka saaya humsaaya  
Satrange re, manrange re  
Koi noor hai tu kyun door hai tu  
Jab paas hai tu ehsaas hai tu  
Koi khwab hai ya parchhaai hai  
Satrange re, manrange re  
Is baar bata moonhzor  
Hawa thehregi kahan  
Ishq par zor nahin hai  
Yeh voh aatish ghalib  
Jo lagaye na lage  
Aur bujhaye na bane  
Ishq par zor nahin hai  
Yeh voh aatish ghalib

Aankhon ne kuch aise chhua,  
Halka halka uns hua  
Halka halka uns hua dil ko mehsoos hua  
Tu hi tu, tu hi tu, jeene ki saari khushboo  
Tu hi tu, tu hi tu, aarzoo aarzoo  
Teri jism ki aanch ko chhoote hi  
Mere saans sulagne lagte hain  
Mujhe ishq dilaase deta hai  
Mere dard bilakhne lagte hain

Tu hi tu, tu hi tu, jeene ki

Saari khushboo  
Tu hi tu, tu hi tu, aarzoo aarzoo  
Chhooti hai mujhe sargoshi se  
Aankhon mein ghuli khamoshi se  
Maein farsh pe sajde karta hoon  
Kuch hosh mein kuch behoshi se

Dil ka saaya humsaaya  
Satrange re, manrange re  
Koi noor hai tu kyun door hai tu

Jab paas hai tu ehsaas hai tu  
Koi khwab hai ya parchhaai hai  
Satrange re, manrange re

Teri raahon mein uljha uljha hoon  
Teri baahon mein uljha uljha  
Suljhane de hosh mujhe teri  
Chaahon mein uljha hoon  
Teri raahon mein uljha uljha hoon  
Teri baahon mein uljha uljha  
Suljhane de hosh mujhe teri  
Chaahon mein uljha hoon

Mera jeena junoon mera marna junoon  
Ab iske siva nahin koi sukoon  
Mera jeena junoon mera marna junoon  
Ab iske siva nahin koi sukoon  
Mera jeena junoon mera marna junoon

Tu hi tu, tu hi tu satrange re  
Tu hi tu, tu hi tu manrange re  
Ishq par zor nahin hai  
Yeh voh aatish ghalib

Mujhe maut ki god mein sone de  
Teri rooh mein jism dubone de  
Satrange re, manrange re.
