

Satya Song Lyrics

You know who the f**k it is haan
Divine haan
Gully gang haan
Tum log chill karenge
Apun drill karenge aah

Ha!
Achche se baat kar
Chhote achche se baat kar
Chal

Chulhe mein chingari
Sar pe hai chhat
Badan pe kapde tab zindagi mast
Sab samundar par se bolein wassup
Dm mein ladkiyan likhti hain khat

Gully gang chhaati thok ke
Tu suraj pancholi
Main chandra bose hai
Shanti failana hum mantra bolte
Tu ro dega agar apun santra khol dein

Patra tod ke nikle isro ki tarah
Chhaap ke nahi kahin dusron ki tarah
Vastav hai kala meri lifestyle ki tarah
Rolly range hoon main chakri ki tarah

Nange pair hoon jo signal pe khada
Shivaji rajya se swagat pe maza
Badalon ke upar mera swag apsara
Spicy hai sab
Sirf chocolate hai color haan

Goli maar bheje mein
Bheje mein
Bheja shor karta hai
Poore desh bhar mein charcha hai

Charcha hai
Jo bole apun karta hai
Chal

Goli maar bheje mein
Bheje mein
Bheja shor karta hai
Poore desh bhar mein charcha hai
Charcha hai
Jo bole apun karta hai
Chal

Sir ka ladka karta dharta
Saat ko lekar main saath mein chalta
Hum bahar jab niklein kuchh karna padta
15 peti mere show ka lagta
30 peti mere verse ka lagta
Topi nikalein to church ka ladka
Topi pehna dein phir karte lafda
Load nahi lete apun duniya bhar ka

Nange pair se seedha lounge mein chair
Paper ke pakad mein duniya bhel
Chase karte hum sirf gandhi ko
Ladkiyan fail badhiyan mel
Matlab saat figure deal

Khud mein ek brand to kyun karun free
Zarurat nahi wahan bante nahi g
Bandana bandana gang
59 bombay se bhi

Goli maar bheje mein bheje mein
Bheje mein
Bheja shor karta hai
Poore desh bhar mein charcha hai
Charcha hai
Jo bole apun karta hai
Chal

Goli maar bheje mein

Bheje mein
Bheja shor karta hai
Poore desh bhar mein charcha hai
Charcha hai
Jo bole apun karta hai
Chal
