Yepudem jarigina nee valanenaya

Hithudai nuvvala
Jathaga niluva
Kalatha nalatha
Dhariraa galava

Prathi malupu
Maarpu nee valane deva

Nee kanu choope vasantham
Nee karunega samastam
Ningi nela digantham
Deva nee daya anantam

Yenni janmaala
Varamo yemo gaani
Naannavayyavu naaku

Yentha doorana
Koluvai unnagani
Oothamisthavu yedakoo

Anthuleni nee preme
Pandu vennela
Antharaayame leni
Pandugai ilaa

Kaalamantha nuvvu nannu
Chusthunte chaalu

Nee kanu choope vasantham
Nee karunega samastham
Ningi nela digantham
Deva nee daya anantam

Shidilaalanni cherchana
Shilpam laga maarchana

lyrics

Maralaa kotthaga
Modalai saagana

Yedalo digulu thunchana
Kalam rangu marchana
Nadiche daarilo
Navvulu penchana

Ninna monna
Nisilo unna
Ikapai neetho
Adugesthunna

Brathike balamai
Nanu nadipinchavaya

Nee kanu choope vasantham
Nee karunega samastham
Ningi nela digantham
Deva nee daya anantam.
