

Kal subah sochenge jo aaj raat kiya,  
Kal subah gin lenge saari galatiyan.  
Tu mera abhi, ho jaana ajnabi,  
Phir hum milenge na kabhi...

Kal subah chale jayenge hai ghar jahaan.

Kal subah bole jo bhi bolega jahaan.  
Tu mera abhi, ho jaana ajnabi,  
Phir hum milenge na kabhi...

Sau tarah ke rog le loon.  
Ishq ka marz kya hai.  
Sau tarah ke rog le lu.  
Ishq ka marz kya hai.

Tu kahe toh jaan de doon.  
Kehne mein harz kya hai.  
Sau tarah ke rog le loon.  
Ishq ka marz kya hai.

Baahon ko baahon mein de de tu jagah.  
Tujhse toh do pal ka matlab hai mera.

Tere jaise hi mera bhi dil khudgarz sa hai  
Tere jaise hi mera bhi dil khudgarz sa hai  
Tu kahe toh jaan de doon  
Kehne mein harz kya hai...

Sau tarah ke rog le loon  
Ishq ka marz kya hai  
So tarah ke rog le lu  
Ishq ka marz kya hai

Kal subah tak jhoota bhala pyar kar  
Kal subah tak jhooti batein char kar  
Tu mera abhi, ho jaana ajnabi,  
Phir hum milenge na kabhi...

Tu kahe toh jaan de doon  
Kehne mein harz kya hai...

Sau tarah ke rog le loon  
Ishq ka marz kya hai  
So tarah ke rog le lu  
Ishq ka marz kya hai.
