

Savera Lyrics

Hum sath may moonlight
Beetein raat to suroor aaye
Ghoomein sheher ki galliyon may befikar
Mohe mann mein sukoon laaye

Mere saath khadi har pal
Only I know what it feels like
Hoti waqt ki ghari bari beqadar
Paas dooriyan yeh le aaye

Para dil pe saaya tera
Sab khud hai paaya meri
Manzil he tu hai heeriye

Jee loon jitna pyaar yeh gehra mera
Savera sunehra tu hi
Kar de hai poora jaaniye

Tu meri aankhon ka savera
Kaise naa hoon mein tera
Tujhse hi ho shuru ab har subah

O tere baahon mein jaadu
Mera dil yeh beqaabu kiya
Rishta tu mujhse ab nibha

Teri ankhan de ishare
Tere husn de laare
Meri udd-udd gayian neendraan

Baby sit back let me show you how it goes
Khuwab ich vi tu ay no one loves you the most
Aa jagaana yeh adaayein mere saath chal tu
Trust me I can take away the lows

Ya baatein meri sun le tu ghaur se
Rahun saath tere mein hamesha shoq se
Jaoon mein jahan bhi sochun wapsi kab
Paas aaon jaldi se laut ke

Dil ki mehmaan tu meri

Kar gayi hera feri
Bin tere tha mein gum-sum sa
Meri raataan si haneri

Dil ne tujh se kehna
Ke tu he sachi saheli meri
Ab bus tu maan ja haan

Tu meri aankhon ka savera
Kaise naa hoon mein tera
Tujhse hi ho shuru ab har subah

O tere baahon mein jaadu
Mera dil yeh beqaabu kiya
Rishta tu mujhse ab nibha

Teri ankhan de ishare
Tere husn de laare
Meri udd-udd gayian neendraan

Teri ankhan de ishare
Tere husn de laare
Meri udd-udd gayian neendraan
