

Savere ka suraj tumhare liye hai
Savere ka suraj tumhare liye hai
Ye bujhate diye ko na tum yaad karana
Hue ek beeti hui baat ham to
Hue ek beeti hui baat ham to
Koi aansu ham par na barabaad karana
Savere ka suraj tumhare liye hai

Tumhare liye ham, tumhare diye ham
Lagan ki agan mein abhi tak jale hain
Hamaari kami tum ko mahasoos kyon ho
Suhani subah ham tumhen de chale hain
Jo har dam tumhari khushi chaahate hain
Jo har dam tumhari khushi chaahate hain
Udaas hoke unako na naashaad karana
Savere ka suraj tumhare liye hai

Sabhi waqt ke aage jhukate rahe hain
Kisi ke liye waqt rukata nahi hai
Chiraag apani dharati ka bujhata hai jab bhi
Chiraag apani dharati ka bujhata hai jab bhi
Sitaare to ambar ke hote nahi hain
Koi naav toofaan mein doobe to kya hai
Kinaare to saagar ke hote nahi hain
Kinaare to saagar ke hote nahi hain
Hain ham dolati naav doobe to kya hai
Kinaare ho tum, tum na fariyaad karana
Savere ka suraj tumhare liye hai

Chaman se jo ek phul bichhada to kya hai
Chaman se jo ek phul bichhada to kya hai
Naye gul se gulashan ko aabaad karana
Savere ka suraj tumhare liye hai.
