

Na jaane kiski raah dekhati hai kholake khidaki
Na jaane kiski raah dekhati hai kholake khidaki
Saawali shaam mein woh khubsurat saawali ladki
Saawali shaam mein woh khubsurat saawali ladki

Na jaane kiski raah dekhati hai kholake khidaki
Na jaane kiski raah dekhati hai kholake khidaki
Saawali shaam mein woh khubsurat saawali ladki
Saawali shaam mein woh khubsurat saawali ladki

Aaine mko dekhati hai aur sharmaati hai
Deewaron se baatein kar chaahat bataati hai
Aaine mko dekhati hai aur sharmaati hai
Deewaron se baatein kar chaahat bataati hai
Yeh kaisa paagalpan yeh shokh chanchal mann
Na jaane kisaki dhun mein naachati hai kholake khidaki
Na jaane kisaki dhun mein naachati hai kholake khidaki
Saawali shaam mein woh khubsurat saawali ladki
Saawali shaam mein woh khubsurat saawali ladki

Kuchh dil mein halchal hai, kuchh bekaraari hai
Aankhon mein ulfat ki surmayi khumaari hai
Kuchh dil mein halchal hai, kuchh bekaraari hai
Aankhon mein ulfat ki surmayi khumaari hai
Deewaana pyaar hai bas intzaar hai
Naa jaane kya kya khwaab dekhati hai kholake khidaki
Naa jaane kya kya khwaab dekhati hai kholake khidaki
