

Sayyare, sayyare
Pyare pyare sayyare
Ye zameen ke hain taare
Inko khul ke chamakane toh do

Sayyare sayyare, sayyare sayyare
Yeh andheron mein kyun kho gaye

Sayyare sayyare, ye taare ye taare
Door khushiyon se kyun ho gaye

Jhilmil karte saare hain
Rangon ke ye dhaare hain
Berang hain, kyun berang hai
Nanhe se parindey hai
Udne ke chaahat mein ye
Bezaar hain, kyun bezaar hain

Ummeed ka ek raasta dikhaao
Inn laadlon mein roshni jagao
Tum thaam lo haath ye masoom sa

Sayyare, sayyare
Yeh andheron mein kyun kho gaye
Sayyare, ye taare
Door khushiyon se kyun ho gaye

Haathon ki laqeroon se
Roothi si taqdeeron se
Hairaan hai, ye hairaan hai

Manzil ke thikaane se
Khud ko aazmaane se
Anjaan hai, ye anjaan hai

Chehre se inke dhool to hataao
Inke dilon mein aarzo basao
Tum thaam lo haath ye masoom sa

Sayyare sayyare, sayyare sayyare
Yeh andheron mein kyun kho gaye

Sayyare sayyare, ye taare ye taare
Door khushiyon se kyun ho gaye

Hmm...
