Yeah ah!

Show mxrci on it! Haha

Oh mainu kal gal kise bande ne si kahi  
Kehnda haareya tu kyu ke teri party nai sahi  
Main keha thik ik gal dass bai  
Je ehni si galat pehla tussi kyu jitaayi

Kyun teen vaar pehla tussi ese nu jitaye  
Bharatlyrics.com  
Sun meri gal koi jawaab kyun nahi aaya  
Main keha aithe hi pawada ho janda  
Tuhada kita thik dujja mada ho janda

Kinne dindi chunni sarkar dasso kaun  
Hun mainu loko oye gaddar dasso kaun  
Jit gaya kaun gaya haar dasso kaun  
Hun mainu loko oye gaddar dasso kaun

Oh jithe aunde sach sab charde aa palla  
Aithe pehla bahut haare oh main hareya nahi kalla  
Loka bahut sacheya dil goddani lavayi  
Ehna dogleya bibi khalra harayi

Jide naal ture si kisaan nu haraya  
Ehna ne simarjit maan nu haraya  
Deke shardanjiya firde aa khulle  
Eh ta navreet deep sidhu nu vi bhulle

Kide ehe sakke parivaar dasso kaun  
Hun mainu loko oye gaddar dasso kaun  
Jitt gaya kaun gaya haar dasso kaun  
Hun mainu loko oye gaddar dasso kaun

Oh ego si gi bahut bol satta dinda mainu  
Jito sabhi naa janani sala matta dinda mainu  
Khud loka laayi maidana vich rahe kyu nahi hoye  
Jehre hassde mere te aap khade kyu nahi

Khud lokan layi maidana vich rade kyun ni hoye  
Jede hasde mere te aap khade kyun ni hoye  
Kyun ke net tu bina tan galbaat naiyo ehni  
Kuch kar ke dikhaun oh aukaat naiyo ehni

Aive beth ke rajayan vich honki da ni honda  
Putt parhna je hove aive bhonki da ni honda

Oh jhoteya di yaar oye star dasso kaun  
Hun mainu loko oye gaddar dasso kaun  
Jit gaya kaun gaya haar dasso kaun  
Hun mainu loko oye gaddar dasso kaun

Oh nave vi aa maare taxali vi aa maare  
Aa congressy maare aaye aa kaali vi aa maare  
Tussi chuniya ehna nu hikka tan de ni kato  
Aap sab nalo maare gal mann de ni katu

Piche hoya jo vi hoya zuban utte reho  
Hun jinha nu jataya maara ehna nu keho  
Kyunke rehna ethe ehi kade vadni na range  
Ohi sarkaran kalla logo hoya change

Jo raaj sada hoya zimidar dasso kaun  
Oh hun mainu loko oye gaddar dasso kaun  
Jit gaya kaun gaya haar dasso kaun  
Hun mainu loko oye gaddar dasso kaun

Oh meri chado gal main tan leya si stand  
Oh, bachhre hoye lokan da bana dita si brand  
Dhanvaad ohna da jo lesson sikhaya  
Main jinha nu jateya mainu ohna ne haraya

Main jiteya ni katu mainu dukh naiyo koi  
Mainu tuhadi aa siyasat di bukh naiyo koi  
Din vi chado ga bhava raat si gi meri  
Oh ant naiyo hoya shurwaat si gi meri

Bole bhava hun ne siyan ch ni mainu  
Oh haareya jo kehnde saale jande ni mainu  
Sooli aale sooli bina saar de ni hunde  
Jidi ragan vich fateh kade haar de ni hunde

Kahavat si jede lahore phudu oh peshawar vi phudu  
Suno suno suno katyo na ae dobara karlo  
Jede lahore phudu oh peshawar vi phudu  
Peshawar vi phudu.
