

Khudgarz hain teri yeh sab khwahishein
Karta hai dil ye tujhse guzarishein
Ab tu badal na lena tere raaste
Ishq se bhi tujhe ishq zyada karun
Mujhme tera hi toh jee raha hai junoon
Aur kya ab main tujhse kahun

Seedha saadha dil seedha saadha
Mera kam hai tera zyada
Seedha saadha dil seedha saadha
Mera kam hai tera zyada

Sunta hai dil mera
Tune jo baatein kahin
Ho.. Baatein ye teri
Main maanu ya maanu nahi

Tune sapne mujhko jo diye hain
Tu hi ab dena inko mazilein..

Ik tere vaaste ye jahaan chhod doon
Saari saanein meri tujhse hi jod loon
Aur kya ab main tujhse kahun

Sidha sadha dil sidha sadha
Mera kam hai tera zyada
Sidha sadha dil sidha sadha
Mera kam hai tera zyada..
