---

Kombaana kombu vecha  
Maade namma selvammadi  
Thembaave neeyum atha  
Kaatha koral illayadi

Senjanthu pottu vechu  
Maata netham kumbidadi  
Theivaamsam ellam unna  
Thedi vandhe thagumadi

Seera seera  
Maamen seera  
Serum maade  
Unna nambi vaazha vantha

Theraa theraa  
Oonjal theraa  
Neeyum aada  
Potta pulla aala vantha

Soothu sogam neeyaga  
Sontha bandham nooraga

Theedi vandhe thagumadi

Kaayathe kaade  
Kanjalum kalla  
Kaadana kaaya maatane

Naadanda rasan saanjalum  
Netta vaalan vaazhva kaapane

Velli nera kaangeyan  
Veetukkulla vaaraaga  
Aarathiyum eduthidadi

Ponnana thaipasam  
Kaimari pogayulum  
Thaayaga un maadu  
Sellamum konjumadi

Thulluvarum seyaaga  
Kayil nee yentha  
Nenachathellaam palikkumadi

Kaami kaami  
Ethu kaaval kaami  
Kaala maada karai  
Yethum saami

Odi odi uzhaichome odi  
Maadillati suzhalaathe bhoomi

Netham vanangum paramasivan  
Veliyila varuvathilla  
Kolam velanga varumithupol  
Ulagila kadavul illa

Thadi eduthu atha adicha  
Valikuthu manasukulla  
Varam palave athu kodukka  
Vanangidu kavalayilla

Kombaana kombu vecha

Maade namma selvammadi  
Thembaave neeyum atha  
Kaatha koral illayadi

Senjanthu pottu vechu  
Maata netham kumbidadi  
Theivaamsam ellam unna  
Thedi vandhe thagumadi.
