---

En seevanukae seevan koduthalae  
Anmaalu raasathi  
Kari sori aaki poattu nalla naalil  
Kannalam kattalaandi

Pottu kadalai seeni  
Kalanthathu pola thaanae  
Sodiya sernthom di  
Un thisai parthae ini ennalum

Pozhutha kazhipaen di

Potta veyil kaanjaalum  
Ava kitta irundhalae  
Veppa mara nizhal pola  
Silluppaa unarvenae

Anthi vana thoothala pol  
Adukku malli siripaalae  
Amuthakili arugaamaiyae  
Anaku theenam arumarunthae

Kai naan kaatuna  
Bus- naguda nikkaathae  
Saada nee kaatiyae  
Enkaaga vanthayae

Kannukulla naan unna thaanganum  
Karpanayil rayil onnu oaduttu!

En seevanukae seevan koduthalae

lyrics

Pozhutha kazhipaen di

Naam seevan rendum  
Saeranthatha nenachae  
Mallipoo kattunen da  
Un pera enakkul  
Korpaathil thanae  
Ethana santhosham da

Sittukuravi udamba silirpatha pola thaane  
Manasum thudikuthu da unnai nenaikumbothu  
Enakku ulloora oothu onnu edukuthada.
