

Sengaandhale Song Lyrics

Sengaandhale unai allava
Chella thendrale unai endhavaa
Alaithen unnai ennodu
Irupen endrum unnodu
Anbe un kaigal ennai theendumaa

Midhandhen katril katraga
Nadandhen iravil nizhalaga
Kanne un kangal enai kaanumaa

Aaararoo... Aaarariroo...
Aaararoo... Aaarariroo...

Chinna chinna malar kuviyalai pol
Enakul malarndhai
Enna enna uyir silirka vaithu
Karuvil asaindhai

Unnai perum annai vali
Valiyalla oor varame
En marbile koodu katti
Nee urangidum naal varume

Paal kasiyum idhazhlodu
