

Set the roads on fire
It's yo boy Badshah

Chali chali chali chali dekho gaadi chali
Road pe dekho kaise kaise machi khalbali

Jo bhi dekhe mud mud ke dekhe dobara
Style ati-uttam swag karaara

It's all about mastiyan
It's all about fun mere bhai
Swag ka meter kar diya higher

Set the roads on fire
Set the roads on fire
Set the roads on fire
Set the roads on fire

Yeh hai power ka bawandar
Jaise koi cheetah iske andar
Ignition kiya main ON
Palkein jhapakte hi baby I'm gone
Chaude hoke ghoomein dekho sadkon pe
Kyunki hum jaisa nahi koi sadkon pe
Dekho dekho kaise ghoomte hai mere tyre

Set the roads on fire
Set the roads on fire
Set the roads on fire
Set the roads on fire

Ghoomte hum yaaron ke saath
Chaahe ho din, chaahe ho raat
Hawa mein dekho udte hain baal
Bade kamaal hain apne haal

Ghoomte hum yaaron ke saath
Chaahe ho din, chaahe ho raat
Hawa mein dekho udte hain baal
Bade kamaal hain apne haal

Set the roads on fire
It's yo boy Badshah
