

Bhoolenge na ye pal
Jab apne pyaar ka beeta kal
Shaapit hua

Kya kya hota hai chahat ki
Anjaani si rahon mein
Dekha humne jaa kar khud
Apni maut ki gufaaon mein
Khatra khatra chilati hai
Andhkar ki har deewar
Aaya aashiq shaapit kar
Gaye sun kar aashiq ka izhaar
Shaapit hua tere pyaar mein
Shaapit hua ikraar mein
Shaapit hua tere pyaar mein
Shaapit hua ikraar mein

Tujhe ho gaya pyaar pehna gayi
Woh maut ka haar aur main, shaapit hua
Sochne ki ye baat hai jisme
Na jism hai na jaan hai
Uss nirjeev ke jeevat shraap ne
Cheenay mere praan hai
Na samjhe woh prem na
Premio ki judaai ka ehsaas
Karz hai muh par, mehbooba ke
Dhadakte dil ki bhook aur pyaas
Shaapit hua tere pyaar mein
Shaapit hua ikraar mein
Shaapit hua tere pyaar mein
Shaapit hua ikraar mein
Tujhe ho gaya pyaar pehna gayi
Woh maut ka haar aur main, shaapit hua

Tere pyaar ke jot mujhe
Iss andhkaar se bachayenge
Woh narjeev tere
Haathon se hi mukti paayegi
Aayega woh pal
Jab khushian cheekengi chilayengi

Tere paas tere sapno ki
Rajkumari aayegi
Baahon mein baahein,
Haathon mein haath
Chahun bas tera hi saath,
Har din har raat

Bhoolenge na ye pal
Jab apne pyaar ka beeta kal
