

# Shaaru In Town Song Lyrics

---

Talking on a phone' aa  
She might call a herself  
Bharatlyrics.com  
A mam or madonna

Taking on a road 'aa  
Looking for a track old 'aa purana

Walking like a cat' aa  
Waving tata'aa  
To her friend shabbana  
Na na naa

Seating time am beating  
At a diner waiting plate shawarmma  
Tweeting what am eating  
And am posing like am on manorama

Sweeping and am weeping  
And am keeping  
Straight face like my ma mamma mamma

Hopping drive am dropping by  
And shopping phone penta menaka

Kochin town am taking down  
Like a wrecking ball high on drama  
Shouting when am outing and the doubting  
Like my ilayammaa mama mammaa.
