Chirichodi  
Pulli chirichodi ?  
Ullanneram pidachodi?

Palli pattakkaaru thaduthodi ?  
Kalli kallakkadha paranjodi ?  
Alli pidichonnu valichodi ?

Pulli ninne nokki chirichodi ?  
Pulli ninne nokki chirichodi ?  
Chirichodi?

Minakkeduthanu thalaykkakathithu  
Kiru kire vekkum kathaku  
Thanichirikkumbo chevikkarikathu  
Pathukke moolana kothuku

Pani pathinettum palatheduthittum  
Adanganilla ee njerippu  
Kidu kide ullil perukkanundoru

Pala nirathil ee kalippu

Pidi kittaathullilere pala kaattaayangalu  
Thani vattaanennu thonnum  
Cheru veppralangalu

Arike vannu pirake ninnu
