

Shada shadak dil kare dhak dhak
Dhak dhak dhak dhak
Shada shadak dil kare dhak dhak
Aur khanke mora kangana
Bachpan bita aayi jawani
Chhut chala ab babul ka angana
Shada shadak dil kare dhak dhak
Dhak dhak dhak dhak

Bhaiya ne dhunda war mera
To dhunda no phut lamba
Bhaiya ne dhunda war mera
To dhunda no phut lamba
Dekhu to aisa lage jaise kaise
Dekhu to aisa lage jaise
Ho bijli ka khamba par kya karu
Haye re ab kya karu haye kya karu
Haye re ab kya karu
Shada shadak dil kare dhak dhak
Dhak dhak dhak dhak

Chacha ne dhunda war mera
To dhunda itna mota
Shada shadak dil kare dhak dhak
Dhak dhak dhak dhak
Chale sadak par aise jaise kaise
Chale sadak par aise jaise
Bependi ka lota haye kya karu
Haye re ab kya karu haye kya karu
Haye re ab kya karu
Shada shadak dil kare dhak dhak
Dhak dhak dhak dhak

Tau ne dhunda war mera
To dhunda itna kala
Tau ne dhunda war mera
To dhunda itna kala
Unt samjh ke bhag uthe re hui ma
Unt samjh ke bhag uthe
Har koi dekhne wala

Haye kya karu
Haye re ab kya karu haye kya karu
Haye re ab kya karu
Shada shadak dil kare dhak dhak
Dhak dhak dhak dhak

Na bijli ka khamba na
Wo mota na wo kala

Babul ne dhunda war mera
To dhunda sabse nyara
Na koi aisa phool chaman mein
Na koi gagan mein tara
Jhuti chal jhuti kab dekha tune
Dekha ha dekha
Use na dekha par dekha hai
Use na dekha par dekha hai
Uska sapna pyara
Haye kya karu
Haye re ab kya karu haye kya karu
Haye re ab kya karu
Shada shadak dil kare dhak dhak
Dhak dhak dhak dhak.
