

Shades of Love Song Lyrics

Pudicha oruthan dhaan odaikkiraan
Thudicha manasellaam valikkudhe
Rasicha ninaivellaam kizhikkiraan
Siricha pagal ellaam iruttudhe

Kanna muzhicha unna nenacha
Indha nenjam vandhu enna sududhe
Enna therinja ullam purinja
Ulla ranamum puriyume

Unna velakki enna alandha
Oru edai indri uyir vizhume
Unna vidave illa manase
Kanda kanavil kaayame

Aasapatta manasukkulla
Pesamattum vazhiyum illa
Theeyil senja parisa thookki
Kaiyyil thara viruppamilla

Silarukku nadakka kaalgal
Silarukku nerungi poga
Silarukku vilagi poga
