Karne do jo karti hai duniya  
Kehne do jo kehti hai duniya

Don't care what they're talking about  
Kehne do jo kehti hai duniya  
Don't know what they're talking about

Main jo hoon kaafi hai woh ho jaaye  
Hona hai jo kyu sochu  
Khaamakha, khaamakha  
Apna hai swag yahi jo  
Bolu woh hai sahi, nach le aa  
Khaamakha, khaamakha

Shake your body left to right  
Through the night  
Move your body's soniye  
Shake your body left to right  
Through the night  
Crazy ho ja zada

lyrics

Shake your body left to right  
Through the night  
Move your body's soniye  
Shake your body left to right  
Through the night  
Crazy ho ja zada

C, r, a, z, y, mai ho crazy, don't ask me why  
Don't talk to me, don't kill my wife  
Say a-o, a-o

Chhoote in khwabon se mera vaasta nahi  
Jidhar ko chal do main, woh hai raasta sahi  
Zara zara freaky, yaar main hoon  
Zara zara khud se pyaar main hoon  
Zara zara had se paar main hoon

Come on everybody just sing along with me

Main jo ho kaafi hai woh ho jaaye  
Hona hai jo kyu sochu  
Khaamakha, khaamakha  
Apna hai swag yahi jo  
Bolu woh hai sahi, nach le aa  
Khaamakha, khaamakha

Shake your body left to right  
Through the night  
Move your body's soniye  
Shake your body left to right  
Through the night  
Crazy ho ja zada

Shake your body left to right  
Through the night  
Move your body's soniye  
Shake your body left to right  
Through the night  
Crazy ho ja zada
