Govinda govinda, govinda govinda, govinda govinda
Govinda govinda, govinda govinda, govinda govinda

Ho anjaan raahi ne manzile ko paya
Toh aashiq hi shakti hai
Bhagwan bole yashoda ko maaiya
Toh aashiq hi shakti hai
Wo kya baat hai jisme sagar se milne nadiya
Ki dhaara bhi mudne lage
Aakash chhune parinde bhi gharon se udne lage
Udne lage..

Govinda govinda, govinda govinda, govinda govinda
Govinda govinda, govinda govinda, govinda govinda
Govinda govinda...
Ho shakti hai, shakti hai
Vishaw ki utpati hai
Shakti hai, shakti hai vishwas ki, tutti hai

Govinda govinda.....
 Govinda govinda.....
 Govinda govinda.....

Shakti hai, shakti hai, shakti hai
 Govinda..
 Govinda, govinda, govinda, govinda..
 Sanchyein ko mann se nikalon toh shakti
 Govinda govinda, govinda govinda
 Ho nischayein ko nish-chal bana lo toh shakti
 Govinda govinda, govinda govinda
 Ho karuna se palke jhuka lo toh shakti
 Kawad ko kawad bana lo toh shakti
 Hawaon ke jhoke mein zinda hai jyoti

 Kawad ko kawad bana lo toh shakti
 Ho kya baat hai jismein aandheron
 Darke sona yeh sooraj uglane lage

Pathar ke seenein se nanha sa ankur bhi khilne lage
