

Shaam bhi khoob hai
Paas mehboob hai
Shaam bhi khoob hai
Paas mehboob hai
Zindagi ke liye aur kya chahiye
Shaam bhi khoob hai
Paas mehboob hai
Aashiqui ke liye aur kya chahiye
Shaam bhi khoob hai
Paas mehboob hai
Kya haseen hai sama dhadkane hai jawa
Kya haseen hai sama dhadkane hai jawa
Dosti ke liye aur kya chahiye
Shaam bhi khoob hai
Paas mehboob hai
Chand ki chandni
Aasmaan ki pari
Shayron ke liye to hai ek shayri
Haan dekhte hi tujhe
Dil deewana hua
Chahato ka shuru ek fasana hua
Raang hai noor hai chain hai khwaab hai
Raang hai noor hai chain hai khwaab hai
Ab khushi ke liye aur kya chahiye
Shaam bhi khoob hai
Paas mehboob hai

Husn hai pyaar hai dil hai dildar hai
Husn hai pyaar hai dil hai dildar hai
Bolti hai nazar chup hai meri zubaan
Har kisi ki juda hai meri dastaan
Na kisi se kabhi pyaar maine kiya
Dard-e-dil na kabhi yaar maine liya
Saanz hai geet hai sur hai sangeet hai
Saanz hai geet hai sur hai sangeet hai
Dosti ke liye aur kya chahiye
Shaam bhi khoob hai
