

Sham hai jaam hai
Husn kaam aam hai
Ishq belagam hai
Khul ke zara pi
Mastiyo mein ji
Zindagi isika naam hai
Sham hai jaam hai
Husn kaam aam hai
Ishq belagam hai
Khul ke zara pi
Mastiyo mein ji
Zindagi isika naam hai

Yaha waha idhar udhar
Titliya hi titliya
Yaha waha idhar udhar
Titliya hi titliya
Dil pe gire bar bar
Bijliya hi bijliya
Dil se dil mila gul se gul khila
Aashiqi isi ka naam hai
Sham hai jaam hai
Husn kaam aam hai
Ishq belagam hai
Khul ke zara pi
Mastiyo mein ji
Zindagi isika naam hai

Aaj zara maikade mein
Daur chale khakiya
Aaj zara maikade mein
Daur chale khakiya
Aur chale aur chale
Aur chale khakiya
Aankh pher ke hosh lut le
Maikashi isi ka naam hai
Sham hai jaam hai
Husn kaam aam hai
Ishq belagam hai
Khul ke zara pi
