Jab aasiyana  
Hawao pe ilzaam phir kyun lagana  
Hamdam hi ban jaaye jab tera dushman  
Logo phir gairo se kis liye ulzan  
Aise apno ne loota hai aksar  
Dekhata rah gaya hai zamana  
Aise apno ne loota hai aksar  
Dekhata rah gaya hai zamana

Sunao ke kaise badlta hai duniya  
Ke bandh aankh se kaise chalti hai duniya  
Sunao ke kaise badlta hai duniya  
Ke bandh aankh se kaise chalti hai duniya  
Mohabbat hi khoosi hai mohabbat hi gham  
Hasi bhi khoosi bhi hai iska tarana

Ke kasid ne paigham ulta sunaya

Sunao koi pyar ka sadiyana

O maalik ye insaf kaisa hai tera  
Kisi ko ujala kisi ko andhera

Tarsta hai koi hasi ke liye  
Mila hai kisi ko khoosi ka khazana
