

It's a shame
Shame shame shame
When you're in lust with somebody
It's a cryin shame
Shame shame shame
When you're in lust with someone
It's a crying shame
When she makes
You feel it so bad that you feel
You go insane go insane
It's a shame
Shame shame shame
When the heat's so bad that
You feel the need
It's a cryin shame
Shame shame shame
When the heat's so bad that
You feel a burning need
It's a cryin shame, when
You feel it burning from your head
Straight down to your feet
Straight down to your feet

BHARAT
lyrics

Look around you
Everybody's doing it
Look around you
Everybody's loved
Look around you
Everybody's getting it
Look around you
Everybody's making love
It's a shame
Shame shame shame
When you've been caught with
Your pants down
Below your knees
It's a cryin shame
Shame shame shame
When you've been caught with
Your pants down

Below your knees
It's a shame, when you've been
Caught in a place where
You just can't be seen
Can't be seen
It's a shame
Shame shame shame
When you've been
Done in by desire
Done in by desire
It's a cryin shame
Shame shame shame
Baby, when you've been
Done in by desire
Done in by desire
Oh yes it's a shame
When you feel the heat
Oh yes it's a shame
When you feel the heat
And the flames keep
Getting higher and higher
Higher, higher, higher, higher
Look around you
Everybody's doing it
Look around you
Everybody's loved
Look around you
Everybody's getting it
Look around you
Everybody's making love
Once again

It's a shame
Shame shame shame
When you've been
Caught up in the cold
Caught up in cold

BHARAT
lyrics

When you think
You are growing too old
It's a cryin shame
Shame shame shame
When you know
That love's being bought
It's a cryin shame
Shame shame shame
When you know
That love's being bought
And you know love's been sold.
