

Shamma mein taaqat kahan jo
Ek parwane me hai
Ek parwane me hai

Lutf jalne me nahi jal jal
Ke mar jane me hai

Jal jal ke mar jane me hai
Chandani raaton mein aksar

Sochta rahta hu main
Kiski ye tasveer hai jo

Dil ke virane me hai
Dil ke virane me hai

May ki masti to utar
Jati hai thodi der me

May ki masti to utar
Jati hai thodi der me

Zindagi bhar ka nasha

Aankho ke paimano me hai
Aankho ke paimano me hai

Tu kahe to aasman ki
Dhajiya kar dun sanam

Aaj ik aisi hi vahashat
Tere deewane me hai
Tere deewane me hai

Shamma mein taaqat kahan jo
Ek parwane me hai
Ek parwane me hai.
