

Shamshan jala insaan jala  
Shamshan jala insaan jala  
Lo dharti ki chhati par hi  
Dharti ka mehmaan jala  
Shamshan jala insaan jala  
Lo dharti ki chhati par hi  
Dharti ka mehmaan jala  
Sham shan jala insan jala

Kis tarah jiyu maru  
Kisko apna haal sunaye  
Aag to jal kar rakh hui hai  
Aag to jal kar rakh hui hai  
Ghar jaye to kaise jaye  
Us ghar me kya rah gaya baki  
Jis ghar ka bhagwan jala  
Shamshan jala insaan jala

Kadam kadam par thokar khata  
Apna aap ko bhulta jata  
Marna chahe mar na sake ye  
Marna chahe mar na sake ye  
Aur bhi lete hai ghabrata

Dil me lekar dard hazaro  
Firta hai ek jane jala  
Armaan jala insaan jala  
Armaan jala insaan jala.
