

Sharab hai ha sharab hai
Shabab hai ha shabab hai
Ek se badke ek lajabab hai, lajabab hai
Ae deewane bol bol aur tujhe kya chahiye, kya chahiye
Ho deewane bol bol aur tujhe kya chahiye, kya chahiye
Sharab hai ha sharab hai
Shabab hai ha shabab hai

Harjayi teri har jid puri ham karte aaye
Dil diwane o dil diwane
Tune jisko bhi chaha ham uspe hi marte aaye
Jidar kaha udhar gaye har manjil se gujar gaye
Hamto teri hi mane
Bol bol aur tujhe kya chahiye, kya chahiye
O re mastane bol aur tujhe kya chahiye, kya chahiye

Chuyenge sheikh angur to
Kah dunga mahasar me
Kah dunga mahasar me

Ye mahaki goliya mai khata tha pita tha sagar me
Sharab hai ha sharab hai
Shabab hai ha shabab hai
Ek se badke ek lajabab hai, lajabab hai
Ae deewane bol bol aur tujhe kya chahiye, kya chahiye
Ho deewane bol bol aur tujhe kya chahiye, kya chahiye
Sharab hai ha sharab hai
Shabab hai ha shabab hai

Sathi ki najaro se chalke us may ko mai pi lu
Dil diwane o dil diwane
Duniya jo chahe samajhe tu chahe jaise ji le
Dikat nahi laja nahi halat apni chipa nahi
Hamse na kar bahane
Bol bol aur tujhe kya chahiye, kya chahiye
O re mastane bol aur tujhe kya chahiye, kya chahiye

Chama chama ras karti huyi
Ye ajanta ki murte
Bholi bhali adao me chipi kaisi kaisi katil surte

Idhar pariyo ki mahfil hai
Udhar huro ka nagma hai
Yaha marne ki hasrat hai waha jine ka armaa hai
Ae deewane bol bol aur tujhe kya chahiye, kya chahiye
Ho deewane bol bol aur tujhe kya chahiye, kya chahiye
Kya chahiye, kya chahiye
Tujhe kya chahiye, kya chahiye.
