

Sharaabi sharaabi ye saawan kaa mausam
Khudaa ki qasam khubasurat na hotaa
Agar isame rang e muhabbat na hotaa
Sharaabi sharaabi ye saawan kaa mausam

Suhaani suhaani ye koyal ki kuke
Uthaati hai sine me rah rah ke huke
Chhalakati hai masti ghane baadalo se
Ulajhati hai nazare hasin aanchalo se
Ye puranur mazar
Ye puranur mazar ye ragin aalam
Khudaa ki qasam khubasurat na hotaa
Agar isame rag e muhabbat na hotaa
Sharaabi sharaabi ye saawan kaa mausam

Gulaabi gulaabi ye phoolo ke chehare
Ye rimajhim ke moti ye bundo ke sehare
Kuchh aisi bahaar aa gai hai chaman me
Ke dil kho gayaa hai isi ajuman me
Ye mahaki nashili
Ye mahaki nashili havaao kaa paracham
Khudaa ki qasam khubasurat na hotaa
Agar isame rag e muhabbat na hotaa
Sharaabi sharaabi ye saawan kaa mausam

Ye mausam salonaa ajab gul khilaae

Umage ubhaare ummide jagaae
Vo betaabiyaan dil se takaraa rahi hai
Ke raato ki nide udi jaa rahi hai
Ye sahar e jawaani
Ye sahar e jawaani ye khvaabo kaa aalam
Khudaa ki qasam khubasurat na hotaa
Agar isame rag e muhabbat na hotaa
Sharaabi sharaabi ye saawan kaa mausam.
