

Aa gaya door kina zindagi ch andaza nayi,
Apne kehan vaale bache vi hun zyada nayi,
Jehre kende si mainu bro aj oh naal nayi,
Galat fehmi paal layi,

Mera nai iraada kise nu neeva dikhaun da,
Rakh bandook kisse de modhey te chalaun da,
Na kise nu jittna na kise nu haraan da,
Main mere music to siva kise nu ni jaanda,

Thodi dhokhebaaz par zindagi haseen hai,
Hun cheema rukda ni jive chaldi machine hai,
Mein saadhti script,
Te kahani de kirdaar saadh ditte,
Bas reh gaya hun scene vich kalla sardar,

Na hun kara aitbaar saukha,
Kehra saala sahe duji vaar dhokha,
Hun door to bulaande loki laike mera naam,
Mere chaun valeya nu meri dua te salaam,

Banda gir ke hi khada hona sikhda,
Je sikhna chadd daye zyada der nai o tikda,
Main rabb di raza de vich rehan shuru karta,
Hun nai o dolda mein bhava laa lai zor hikk da,

Mainu sikhian vaale zindagi ch aan vaale,
Saare sajjna nu mera shukriyada,
Naale shukriyada us rabb da,
Jo malak hai sab da mere dil da bheth ohi rakhda,

Kaun bachda jo karam kite hongey hisaab,
Utte vaala sab dekhda janab,
Main vi mann layi aa palle bann layi aa gal kyuki,
Oh vi time si jado time vi kita mein khraab,

Aun vaala sama nava kamm sira jamaa,
