

Shaurya kya hai?

Thartharti iss dharti ko raunti

Faujiyon ek paltan ka shoor

Ya sheme se asman ko cheerta hua

Banduko ki salami ka shoor

Shaurya kya hai?

Hari wardi per chamkte hue

Chand petal ki sitare

Ya sharad ka naam dekar

Andekhi kuch lakiro ki numais

Shaurya kya hai?

Door udate khamosh paride ko

Goliyon ko bhune dene ka ehshaash

Ya sholo ki barsat se pal bhar mein

Ek sehar ko shamshan bana dene ka ehshaash

Shaurya

Behti byaaas mein

Kisi ke garam khoon ka

Huale se shurkh ho jana

Ya anjani kisi jannat ki firak mein

Pal pal ka dojak bante jana

Barodo se dhunlaye is aasmaan mein

Shaurya kya hai?

Wadiyon ki gunjte kisi gaon se mata me

Shaurya kya hai?

Shaurya

Shayad ek hoshla

Shayad ek himmat

Hamre bhaut ander

Majhab ke banaye dayere ko tod kar
Kisi ka hath tham lene ki himmat

Goliyonn ki betahasha shor ko
Appni khamoshi se
Chunauti de pane ki himmat

Marti maarti is duniya mein
Nihathe datte rehne ki himmat

Shaurya

Aane wale kal ki khatir
Apne hisse ki kaynat ko
Aaj bachalene ki himmat

Shaurya kya hai?
