She's gone gone gone  
Don't know if i see her again

She hides her face  
And turns around  
No one inside i hear no sound  
She leaves behind her steps  
In the sands of time  
She is beautiful

But she has got

BHARAT  
lyrics

Colors of the night  
She's like the seasons  
She is like the  
Dream of lifetime  
She is the shoulder  
When i cry when i cry

She turns my life when  
She turns around  
Here i am alone in  
This mean all time  
She leaves behind me  
In the cage of time  
She is beautiful  
She is the light  
But i saw pain in her eyes  
She need some warm to  
Hold her hand  
Give her a chance  
She is beautiful  
She is beautiful  
She is beautiful  
She is beautiful  
She is beautiful  
She is beautiful  
She is beautiful  
She is beautiful  
She is beautiful  
And she's mine.
