

Yeh hasina, yeh deewana
Yeh hasina meri neend churati hai,
Sari raat jagati hai
Meri neend churati hai,
Sari raat jagati hai
Kabhi chali aatee hai,
Kabhi chali jatee hai,
Bada tadapati hai
But she is my girl friend,
She is my girl friend
Girl friend, girl friend, girl friend
She is my girl friend
Girl friend, girl friend, girl friend
She is my girl friend

Yeh deewana meri
Neend churata hai,
Sari raat jagata hai
Meri neend churata hai,
Sari raat jagata hai
Kabhi chala aata hai,
Kabhi chala jata hai,
Bada tadapata hai
He is my boy friend,
Boy friend boy friend boy friend
He is my boy friend
Boy friend boy friend boy friend
Ho..o..he is my boy friend

Logo se maine suna hai
Thodi si yeh bewafa hai
Main bhi koi vaada karu,
Aur vaada tod doon
Kabhi kabhi sochta hoon
Isko main chhod doon
Haaye haaye magar kya karu,
She is my girl friend
Girl friend, girl friend, girl friend
She is my girl friend
Girl friend, girl friend, girl friend

lyrics

She is my girl friend

Mujhko magar bewafai
Iss bewafa ne sikhayi
Mujhko magar bewafai
Iss bewafa ne sikhayi
Main bhi kisi aur ki
Baaho mein jhul jaau
Kabhi kabhi sochati
Hoon ise bhul jaau
Haaye haaye magar kya karu,
He is my boy friend,
Boy friend, boy friend, boy friend
He is my boy friend
Boy friend, boy friend, boy friend
Ye ye he is my boy friend

Main aag hoon yeh hai panee
Barbad meri jawani
Main aag hoon yeh hai panee
Barbad meri jawani
Dur se karu na ise
Kabhi main salam bhi
Bhul ke na loon kabhi
Iska main naam bhi
Haaye haaye magar kya karu,
She is my girl friend,
Girl friend, girl friend, girl friend
He is my boy friend
Boy friend, boy friend, boy friend
She is my girl friend,
Girl friend, girl friend, girl friend

Yeh hasina, yeh deewana
Meri neend churati hai,
Meri neend churata hai,
Sari raat jagati hai
Sari raat jagata hai
Kabhi chali aatee hai,
Kabhi chala aata hai,

Kabhi chali jatee hai,
Kabhi chala jata hai,
Bada tadapati hai
Bada tadapata hai
She is my girl friend,
Girl friend girl friend girl friend
He is my boy friend,
