

Aye ek waqt ki baat  
Bataye ek waqt ki  
Jab sheher hamara so gayo  
Tho wo raaj gajab ki  
Aye ek waqt ki  
Baat bataye ek waqt ki  
Jab sheher hamara so gayo  
Tho wo raaj gajab ki  
hey chahu aur sab  
Ore disha se laali chaayi re  
Jugni naache chunar  
Odhe khon nahayi re  
hey chahu aur sab  
Ore disha se laali chaayi re  
Jugni naache chunar  
Odhe khon nahayi re  
Sab oro gulaal put gayo sab oro mein  
Heyyy sab oro gulaal put gayo vipda chaayi re  
Jis raat gagan se khon ki baarish aayi re  
Jis raat sheher mein khon ki baarish aayi re  
Jis raat gagan se khon ki baarish aayi re  
Jis raat sheher mein khon ki baarish aayi re

Sarabor ho gayo sheher aur  
Sarabor ho gayi dhara  
Sarabor ho gayo re jattha  
Insaano ka bada bada  
Sabhi jagat yeh pooche  
Tha jab itna sab kuch ho riyo tho  
To sheher hamara kahe  
Bhaisaab aankh mood ke so riyo tho  
To sheher yeh boliyo  
Neend gajab ki aisi aayi re  
Jis raat gagan se  
Khon ki baarish aayi re  
Jis raat sheher mein  
Khon ki baarish aayi re  
Jis raat sheher mein  
Khon ki baarish aayi re

Sanataa viraana khamoshi anjaani  
Zindagi leti hai karwate toofani  
Ghirte hai saaye ghanehre se  
Rookhe baalon ko bikhere se  
Badhte hai andhere pishaacho se

Kaanpe hai jee unke naacho se  
Kahin pe wo jooto ki khat khat hai  
Kahin pe alawo ki chat pat hai  
Kahin pe hai jhingur ki aawazen  
Kahin pe wo nalke ki tap tap hai  
Kahin pe wo kaali si khidki hai  
Kahin wo andheri si chimni hai  
Kahin hilte pedon ka jattha hai  
Kahin kuch mundero pe rakkha hai

Re re re re re re re  
Hoo hoo hoo hoo  
Sunsaan galli ke nukaad pe jo koi kutta  
Cheekh cheekh kar rota hai  
Jab lamp post ki gandli pilli ghup roshni  
Mein kuch kuch sa hota hai  
Jab koi saaya khud ko  
Thoda bacha bacha kar  
Gum saayo mein khota hai  
Jab pool ke khambho  
Ko gaadi ka garm ujaala

Dheeme dheeme dhota hai  
Tab sheher hamara sota hai  
Tab sheher hamara sota hai  
Tab sheher hamara sota hai  
Hooo hooo

Jab sheher hamara sota hai  
To maloom tumko haan kya kya hota hai  
Idhar jaagti hai laashen zinda ho murda  
Udhar zindagi khota hai  
Idhar cheekhti hai dahua  
Khairaati uss aspataal mein bifri si

Aaankh mein uske agle hi pal  
Garam maas ka naram lothda hota hai  
Idhar uthi har takraaren  
Jismo ke jhatpat len den mein uchi si  
Udhar ghaav se riste phoonko  
Door guzarti aakhen dekhe rookhi si  
Lekin usko leke rang birange  
Mailon mein gun jaayi shoti hai  
Nashe mein doobe sehan se  
Khoonkhaar chutkulo ki paidaish hoti hai  
Adh nange jismo ki dekho  
Lipi putti se lagi numaaish hoti hai  
Laar tapakte chehro ko kuch  
Shitaani karne ki khwahish hoti hai  
Wo pooche hai hairaan hokar  
Aisa sab kuch hota hai kab  
Wo batalo to unko  
Aisa tab tab tab tab hota hai  
Jab sheher hamara sota hai  
Jab sheher hamara sota hai  
Jab sheher hamara sota hai  
Jab sheher hamara sota hai  
Hooo hoo hoo
