

Sherni hai,
Sherni hai,
Sherni hai jatti,
Bol diya so bol diya,
Main piche nahi hatti,
Aankh mila lo aur tuda lo,
Free mein apni haddi,
I am a champion,

Sherni hai,
Sherni hai,
Sherni hai jatti,
Bol diya so bol diya,
Main piche nahi hatti,
Aankh mila lo aur tuda lo,
Free mein apni haddi,
I am a champion,

Kia..kia,
I got too much swagger in my dna,
Kia..kia,
I got too much swagger in my dna,

Oh yes..oh yes..oh yes,
I'm gonna get this poppin,
Let'em know hk's gonna come down,
Only like assassin,
Killing beats like chucky's bride,
I murder them, i'm laughing,
I only say coz talk for real,
No dabble boy no bragging.

Fcp like screensavers,
I wake them up like bad neighbours,
Yeah i know i am glamorous,
Don't trust me boy,
I got mean behaviour,

Never acting phoney,
I take care of my nony,
Any rappers wanna f**k with me?

So won't you come and show me,

Kia..kia,

I got too much swagger in my dna,

Kia..kia,

I got too much swagger in my dna,

Sherni hai,

Sherni hai,

Sherni hai jatti,

Bol diya so bol diya,

Main piche nahi hatti,

Aankh mila lo aur tuda lo,

Free mein apni haddi,

I am a champion,

K...i...a

I got that do or die attitude,

If you got a problem with that,

It ain't my problem,

People say 'hard kaur' we respect you,

Today kids in the game,

I'm motherf*c*ing legend like apocalypse,

Ain't there no one after this,

I rule this is my dominance,

I got way too much confidence,

I'm proud of this,

I'm no.1,

F*ck you up don't need a gun,

Better put that mike down son,

This is hip-hop extortion,

So run boy run,

Better fear ,

Still killing it

Year after year,

Dj loves me like a pioneer,
Yes i'm the guarantear.

Rap from the soul like so sincere,
Make fake mc's wanna disappear,
Always give that good shit for your ear,

My name is hard kaur,
And i'm staying here,
You hear?

Kia..
Kia,
I got too much swagger in my dna
Kia..
Kia,
I got too much swagger in my dna

Sherni hai,
Sherni hai,

Sherni hai,
