Tarantino ki dasvi film hai

Khaati chewing gum hai
Dhati sitam hai
Tarantino ki dasvi film hai

Sabpe bhoot savaar hai
Sabki pahunch se baahar hai
She can take you higher
Higher higher higher

Atki padi garari hai
Ladki badi karari hai

She's on fire
She's on she's on fire
She's on she's on fire
She's on she's on fire

Boom boom boom
Let me take you on the cruise
Blow your mind walk k ma in my shoes
Knock you down with a simile on my face
Pretty little thing boy i'm a bad news

Todun dil aur todun aakad
Main hoon danger ladki dhaakad
Galti se na cut kar dena
Tu meri wire

She's on fire
She's on she's on fire
She's on she's on fire
She's on she's on fire

Garam garam kiya tune saara vatavaran
Ghar pe tu chhod aayi sharam sharam
Bhrasht karayegi dharam dharam
Baby sunti nahi

Suru ho jaaye toh rukti nahi na

lyrics

Aankhein kisi ke aage jhukti nahi no
Dekhi maine tere jaisi yuvti nahi
Sar pe chadhi hai jaise coke mein rum
Baatein waatein karti hai kamm
Abcd uski hoti f se suru aur u pe khatam

She's on fire
She's on she's on fire
She's on she's on fire
She's on she's on fire.
