

Ha...

Judaa nahi tu  
Judaa sa hai tu  
Gaayab hai lapata hai  
Lekin tu har jagah hai

Shiddat se chahta hoon  
Duaa mein maangta hoon  
Raaton ko jaagta hoon  
Main tere hi liye

Aankhon se beh raha hoon  
Bin bole keh raha hoon  
Har gham ko seh raha hoon  
Main tere hi liye

Tujh bin adhoora adhoora sa lagun  
Khudko aa tujhse muqammal main karun  
Chahiye...mujhko tu chahiye  
Haan mujhe...sirf tu chahiye

Wo...

Woh raat ki deewaar ho  
Ya subah ka ujla dar  
Iss paar se uss paar tak  
Mujhe aaye tu nazar

Woh raat ki deewaar ho  
Ya subah ka ujla dar  
Iss paar se uss paar tak  
Mujhe aaye tu nazar

Tu aasmaan se zameen tak  
Tu gumaan se hai yakeen tak

Tujh bin adhoora adhoora sa lagun  
Khudko aa tujhse muqammal main karun  
Chahiye...mujhko tu chahiye  
Haan mujhe...sirf tu chahiye

Shiddat se chahta hoon  
Duaa mein maangta hoon  
Raaton ko jaagta hoon  
Main tere hi liye

Aankhon se beh raha hoon  
Bin bole keh raha hoon  
Har gham ko seh raha hoon  
Main tere hi liye

Main jamm gaya hoon barf sa  
Mujhe chhu ke kar ravaan  
Iss jism ke safar mein hai  
Kahin rooh ka nishaan

Main jamm gaya hoon barf sa  
Mujhe chhu ke kar ravaan  
Iss jism ke safar mein hai  
Kahin rooh ka nishaan

Hai pyaas mein  
Talaash mein
