Aashikon ki aad mein
Majnu hain baithe yahan
Mere intezar mein

Main hoon khiladi jaante hain sab
B'coz i don't give a shit about love
Main hoon khiladi jaante hain sab
B'coz i don't give a shit about love

I don't give a shit shit shit about love
I'm goin' to booze all night in the club
I don't give a shit shit shit about love
I'm goin' to booze all night! all night in the club

I don't give a shit shit shit about love
I'm goin' to booze all night! all night in the club

Ek ek ek toh itni thand hai
Us pe teri yeh dress baby
Dil mera kehta hai
Tujhko karna hai impress baby
Aadhi raat tu mere saath
Time bhi hai lets baby
Ab bata sabke saamne ya
Private mein mujhko degi
Number jo phone mein daaloon
Karke baatein tujhko pataa loon
Ya phir teri best friend se
Apna jack laga loon
Tujhe fansana hai
Tu maan ya na maan
Jo tu hai jungli billi
Main bhi top ka shaitan

Ismein bhi..ee..
This is the lights of the night
Welcome to me and hold me tight
Melne ka scene bana le
Tu bhi mere jaisi hai
Coz i don't give a shit about love
I don't give a shit shit shit about love
I'm goin' to booze all night! All night in the club

Rock karoon main sara din saari raat baby
Ab tu samajh le itni si baat baby
Aankhein na phaad dude, dil ko aaram de
Mujhe kya dekhe apni waali pe dhyaan de

Main hoon khiladi jaante hain sab
B'coz i don't give a shit about love
I don't give a shit shit shit about love
I'm goin' to booze booze booze booze booze booze

I don't give a shit shit shit about love
I'm goin' to booze all night in the club
I don't give a shit shit shit about love
I'm goin' to booze all night! All night in the club
I don't give a shit shit shit about love
I'm goin' to booze all night! All night in the club
Yo..
