

Balidaano..balidaano..
Aahutio..aahutio se..janmi ye gaatha
Barso se chalti hai
Badle ki ye jwala
Ya mrityu us maha samar ki janani hai jiska
Varnan srusti karti
Kya ambar ki nagari se woh rakhwala aaya

Jiske paa chume dharti

Balidaani kyaa neeyati
Achame-mein hai sksham
Nash nash mein jo khole
Woh lahu hai shivam shivam..
