Assi mitran khainde nai kade khassi lokan naal

Nacho khedo te naaran de utte gao chudduo
Sadde bhaa te tussi ni haje jamme fudduo
Jaffa annaya da paida fadd chaddde nahi
Kutte tere jeh chukan kade vadd-de nai

Moda lagda kade nai assi jedukhane de
Sadde fadna galave kitthe daddu bhade de
Laundeyo dukki de tussi je assi jagge warge
Khed pairan ton davange sadde dhakke jaan ge

Aaja khed laa sandhan naal kade mukde nai
Tahde jhutte jeh prime assi tukhde vi nai
Khoon chusan dalle jo assi jokean naal ni behnde
Rehn maavan di godi ch darpokan naal ni khainde

Leekan kaddan garari kara chur vairi di
Tahdi vajjiyo cadhayi saddi dhoor pairan di
Aaye jatt nu haraon khud haarde rahe
Saddi jutti de jade si taaki maarde rahe

Vaar jatt te chale naa te kol dhal ikko aa
Ankh laal ve bullan naal iqbal ikko aa

Oo kaali range de davale do picce chalde
Te dhillon mure ta te sandh dabb bahl wall de
Raazinameyan de bhejan snehe hun dalle
