

Zindagi aag ka dariya hai
Tair jaa jo dara marta hai
Soch ka soch se naata hai
Apna sa kahan koi milta hai

Saanson mein meri
Khushbu hai teri
Neendon mein meri
Rehti hai surat teri

Karta hoon poori
Baatein jo keh dein
Yaadon mein meri
Baatein basi hein teri

Pyar karna hai bandagi
Raah saari hai yeh khushi yeh khushi

Rok lo waqt yeh thoda hai
Yeh junoon khoon mein dauda hai
Chehre ke peeche to chehra hai
Yeh jahan tere liye chora hai

Aas hai bandhi pyaas se
Aise hi to hum hain mile hain mile

Shor dhadkan mein
Zor dharkan mein
Shor dhadkan mein
Zor dharkan mein.....
