

Shubhaarambh Lyrics

Waves rise from heart to heart
Carrying dreams from every part
Connecting creators connecting countries
We sail as one on timeless seas

Har leher hai ek sandesh
Srijan aur prem ka vishesh
Bharat ki mitti ki baat
Le jaaye duniya tak saath

Shubh aarambh ki hai yeh waves
Naye bharat ki hai yeh waves
Aadhunikta ki hai yeh waves
Naye bharat ki hai yeh waves

From rhythm in temples to ink on scrolls
From fire in minds to cosmic goals

Waves unite the voice and hands
Of every artist in every land

Shubh aarambh ki hai yeh waves
Naye bharat ki hai yeh waves
Aadhunikta ki hai yeh waves
Naye bharat ki hai yeh waves

Sarve bhavantu sukhinah
Sarve santu niramayah
Sarve bhadrani pashyantu
Ma kashchid dukkha bhagbhavet

Navachar ka dwaar khule
Unnati ka deep jale
Sanskriti se jo shakti mile
Desh aur phoole phale
Desh aur phoole phale

Vasudhaiva kutumbakam the world is one
Let the knowledge arise like the morning sun

A beacon of hope for everyone
The summit of thought has just begun

Shubh aarambh ki hai yeh waves
Naye bharat ki hai yeh waves
Aadhunikta ki hai yeh waves
Naye bharat ki hai yeh waves

Waves waves waves of peace
Waves waves across the seas
Waves waves for centuries
Waves connecting countries
