

Aankhen jamee si, dil bhaari bhaari
Saanson ki laye se, tooti hai yaari
Tooti hai duniya tooti tasveerein,
Chahatein hain tooti, tooti muraade
Toote hain sapney, jeeye thhe jo main ne
Tooti hakikat, galatfaimiyon si

Ainey ke peechhe, aks ik bharam thha
Andhera jo utra, aiina bhi gum thha
Jhoothe ujaale, jhoothe andhere,
Jhoot aankh hi mein baste jhoot-moot phere
Jhoothe aadhaar hain, jhoothe aakaar hain
Such berahem hai jaana, shoonya mein utarkar

Kaino neebe jai, bare bare
Kaino neebe jai, bare bare

Jhoothe aadhaar hain, jhoothe aakaar hain
Jhoothe aadhaar hain, jhoothe aakaar hain

Jhoothe aadhaar hain, jhoothe aakaar hain
Jhoothe aadhaar hain, jhoothe aakaar hain
Such berahem hai jaana, shoonya mein utarkar.
