

Shuru Shuru Lyrics

Shuru shuru ale hrudayadali
Iru iru sadaa edurinali
Helalu hodare helale aagada
Moodida maathive saavira

Yenanu helade hoderu sokide
Jeevada bhaavada kaathara
Usire helide bisiyaada suddiya
Heegeke nannali ee daaha ommele

Idakkintha hatthira neeninnu bandare
Nanaganthu gotthilla aamele

Mella bali seledu seledu
Swapnagala therodu therodu
Ella hatavanu muridu muridu
Helu idu nijave nijave?

Maunagalu berethu berethu
Lokavane marethu marethu
Jothegiralu naa haathoreve

Shuru shuru ale hrudayadali
Iru iru sadaa edurinali
Shuru shuru ale hrudayadali
Hitha hitha ee daali

Nee hoovina peteya mohaka thangaali
Kaayuthide ello mullugala daari
Ee nimisha hege hoguvude jaari

Ee maunave thumba mohaka
Manase maathanu aadiruvaaga

Mella bali seledu seledu
Swapnagala therodu therodu
