

# Shut Up Lyrics

---

Ye to to sirf kare baat  
Jab kare baat to mere bare me kare baat  
Bina kam kaj ye pale bade na bane baap han  
Maine kabhi kare gun maine kare paap  
Yaha to bhare saanp kare baat jaise bane baagh  
Reefer with the killer kare bandiyon ko geela  
Rehta with the heater jab bhi dikhe seedha jale hath  
Bow now slow down

Pachchees show kare sold out  
Mujhse pucch mat haal  
Pure saal ikaththa karu jake maal  
Lage jaise koi godown  
Bow now slow down

Gane inke sune main so raha hu  
Ye rapper hai joke inse pucchoge to honge he he inke pronouns  
Ye jante log that I'm killing it killing it  
Inse pucchoge to they be fearing my pen again  
So cold aise lage they be fearing the chilling  
And mera flow lage gold if the game is so elegant

Rapping fast ab masterclass du inko  
Stack pe racks ab pass the cash ab gin lo  
Acting wack you lack the facts and info  
Album stacked to back to back ab single

Ignore karu maine to na hi bola  
Hoti inki par ye to bas suna  
Sade pade kyu beta khade khade vibe do na  
Lagu thoda by polar abhi bhi na mic chhora  
Peeke dhai tola kabhi kabhi lagu high thoda  
Side ho ja tere gano se na koi hype ho ra  
Sung a lullaby ab to bhai so raha

Ye de rahe apna opinion main bolu abe chup be sale  
Mujhe nahi chahiye teri raye kara mat ghutne kale  
Ye lau\*e bane bavarchi apni bato se khoob pakare

Ye aake kyu bhauk rahe idhar maine na kutte pale

Inhe bolo they not ready  
Aisa nahi hota ki meri aim not steady  
Agar chahiye war then of course they gon get it  
Interview bhi na chale bina name drop kare  
I m sick of it bickering  
Bharatlyrics.com  
Bato ki na fikr bitches sitting here giggling  
Click a pen  
Do-ge mujhe dhakka then I just go and kill again  
Cash flow krish with the big d\*ck jigglin  
Not a joke though kare choke wo

Mere sab dost kare throat  
Bolo sabko I don't give a f\*\*k though  
Kar believe I need to keep it hundo  
Khalbali ki kal ummeed hai hame  
Verbally yaha har gali jang ho  
Chad bali ya hadbadi me marlo

Le gaye ham kursi bave  
Garmiya me kardu main sardiyan dekh  
Kisi bhi shaher me kucch bhi kalesh  
I walk with my chest out urfi javed

You don't know jack ye beat pe  
She been stalkin me jaise  
A gaint in the game you just reach my scrotum  
She can get the pole I mean the totem

Khatm kare bottle hi tabhi bhi nah o talli  
Tere jaise maaru ten aur jaise bow chali  
Come and go delhi lage jaise hotel hi  
Khatm karu bottle hi tabhi bhi na ho talli  
Game full of clown mujhe lage sare joker hi  
Bate inki dogli niyat inki khokli  
Hawa meri chali jab na chali inki do ghari

Ye de rahe apna opinion main bolu abe chup be sale  
Mujhe nahi chahiye teri raye kara mat ghutne kale

Ye lau\*e bane bavarchi apni bato se khoob pakare  
Ye aake kyu bhauk rahe idhar maine na kutte pale

Ye de rahe apna opinion main bolu abe chup be sale  
Mujhe nahi chahiye teri raye kara mat ghutne kale  
Ye lau\*e bane bavarchi apni bato se khoob pakare  
Ye aake kyu bhauk rahe idhar maine na kutte pale
