

Shy Song Lyrics

Haan baby give me try
I can see that in your eyes
Sabke saamne feel karti hai tu fatty shy
Eyes don't lie baby eyes don't lie
Jab tu ja rahi thi
Bharatlyrics.com
I didn't want to say goodbye

Baby give me try
I can see that in your eyes
Sabke saamne feel karti hai tu fatty shy
Eyes don't lie baby eyes don't lie
Jab tu ja rahi thi
I didn't want to say goodbye

Tu karti mera care
Apan lagte very fair
Hazar bandiyon ke bich mein bhi
Tujhe karun stare
Tera koyi nai compare
Apan saanwla tu fair
Jo tu chahti you can wear
I can smell you in the air

Aaj kal gaane fatte chill
Jaise cake khao ya snare
Jee raha hoon main billionaire
Banna multi millionaire
Kaam chalu hai

Mujhe jana kahan
Woh bhi mujhe malum hai
Jabse vibe kiya tere saath
Tab se khoya khyaalon mein

Baby give me try
I can see that in your eyes
Sabke saamne feel karti hai tu fatty shy

Eyes don't lie baby eyes don't lie
Jab tu ja rahi thi
I didn't want to say goodbye

Baby give me try
I can see that in your eyes
Sabke saamne feel karti hai tu fatty shy
Eyes don't lie baby eyes don't lie
Jab tu ja rahi thi
I didn't want to say goodbye

Mehbooba azooba main tere piche dooba
Pooora din sirf kambal mein
Raat ho ya subah
Trip pe le chalu tujhe hawana cuba
Tu meri b*tch aur main tera scooby dooba
Dooba

Dooba lekin mujhe tairna nahi
Is baahri duniya se mera
Kuch bhi nahi lena dena
Mujhe tujhse kaafi kuch hai kehna
Baaki ki zindagi pasand karun
Tere saath rehna

Baby give me try
I can see that in your eyes
Sabke saamne feel karti hai tu fatty shy
Eyes don't lie baby eyes don't lie
Jab tu ja rahi thi
I didn't want to say goodbye

Baby give me try
I can see that in your eyes
Sabke saamne feel karti hai tu fatty shy
Eyes don't lie baby eyes don't lie
Jab tu ja rahi thi
I didn't want to say goodbye

Car ke ride pe
Tu ho gayi mere side pe

Din se zyaada apan ride
Karte baby night mein
Har jagah hogi mere saath
Flight hogi private
Samay bitaunga tere saath
I'm excited

Ek hi baar mil ke
I'm feeling so close
Open kiya heart seedha gaana compose
Jo bhi hoga hone do
Nahi karna chahta force
Tere pe hoon high
Le raha tera overdose

Baby give me try
I can see that in your eyes
Sabke saamne feel karti hai tu fatty shy
Eyes don't lie baby eyes don't lie
Jab tu ja rahi thi
I didn't want to say goodbye

Baby give me try
I can see that in your eyes
Sabke saamne feel karti hai tu fatty shy
Eyes don't lie baby eyes don't lie
Jab tu ja rahi thi
I didn't want to say goodbye.
