Ke thoda sochke ae dil e pagal
Mohabbat tan ni hogi tainu

Ke thoda sochke ae dil e pagal
Mohabbat tan ni hogi tainu

Ishqe de kalam ehnu main
Bin soche padhdi jawa
Duniya de taane nehne
Tere karke jarrdi jawa

Kalleyan tu raatan kattiyan
Lambiyen barsaatan kattiyan
Bin ohde hoke haava
Dekh ke jo main yaadan kattiyan

Phullan de utte jad main
Dekha koi aur khelda
Sappni wangu ve tainu
Littan layi mera chitt melda

Billo tu darr jaani aa
Thande so kar jaani aa
Pind da ve laiya booha
Todke te ver hanji jailda

Vichhoda seh leya main
Pehla ee umran da
Hor dass ki main kehna tainu

Ke thoda sochke ae dil e pagal
Mohabbat tan ni hogi tainu
Ke thoda sochke ae dil e pagal
Mohabbat tan ni hogi tainu

O yaara ve yaara tera ishq karaara

Seene maarda ae dang ve
Haari main haari tere utton jind vaari
Ajj todke main sab

Te aiddan tera naa jappdi
Kare ranjhne ibaadat jo heer di
Ve bukkal teri mere layi
Jivein jannat channa ve kashmir di

Ve bukkal teri mere layi
Jivein jannat channa ve kashmir di
